Dear FOIA Officer:

This letter is a FOIA request. This office represents Carla and Paul McElrath. On or about August 3, 2013, Paul and Carla McElrath were injured, receiving substantial burns while using the above-referenced products.

At this point, we are unaware of any complaint or file numbers assigned by the EPA, however we would request any items available regarding the above-referenced manufacturers pursuant to FOI as follows:

1. All reports and documents relating to any EPA complaints relative to these products.
2. All correspondence, both internal and external, to, from, and within the EPA and the FDA District Office conducted in the investigation relative to the above-referenced products
3. All document and reports relating to any investigation of the above products with respect to the manufacturers.

Very truly yours,

Patrick J. Persons
